PROJECT 6 GROUP HOME DBA THE HELP GROUP CONTRACT COMPLIANCE REVIEW

The Department of Children and Family Services (DCFS) Contracts Administration Division (CAD) conducted a Contract Compliance Review of Project 6 Group Home dba the Help Group (the Group Home) in March 2016. The Group Home has one licensed office located in the Third Supervisorial District and provides services to the County of Los Angeles DCFS placed children, children placed through various school districts and private placements from other counties. According to the Group Home's Program Statement, its stated purpose is to "decrease residents' maladaptive behaviors and improve their social, emotional, and academic/occupational functioning."

The Group Home has one 32-bed site and is licensed to serve a capacity of 32 males and females, ages 11 through 17. At the time of the review, the Group Home served four DCFS placed children, one privately-funded child and 11 children funded through various school districts. The placed children's average length of placement was 12 months and their average age was 16.

SUMMARY

During CAD's Contract Compliance Review, the interviewed children generally reported: feeling safe at the Group Home, being provided with good care and appropriate services, being comfortable in their placement environment and being treated with respect and dignity.

The Group Home was in full compliance with all 10 applicable areas of CAD's Contract Compliance Review: Licensure/Contract Requirements; Facility and Environment; Maintenance of Required Documentation and Service Delivery; Education and Workforce Readiness; Health and Medical Needs; Psychotropic Medication; Personal Rights and Social/Emotional Well-Being; Personal Needs/Survival and Economic Well-Being; Discharged Children; and Personnel Records.

Attached are the details of CAD's review.

CONTRACT COMPLIANCE REVIEW
FISCAL YEAR 2015-2016**

SCOPE OF REVIEW

The following report is based on a "point in time" review. This compliance report addresses findings noted during the March 2016 review. The purpose of this review was to assess Project 6 Group Home dba The Help Group's (the Group Home's) compliance with its County contract and State regulations and included a review of the Group Home's Program Statement, as well as internal administrative policies and procedures. The compliance review covered the following 10 areas:

- Licensure/Contract Requirements,
- Facility and Environment,
- Maintenance of Required Documentation and Service Delivery,
- Education and Workforce Readiness,
- Health and Medical Needs,
- Psychotropic Medication,
- Personal Rights and Social/Emotional Well-Being,
- Personal Needs/Survival and Economic Well-Being,
- Discharged Children, and
- Personnel Records.

For the purpose of this review, four placed children were selected for the sample. The Contracts Administration Division (CAD) interviewed four children. During the site visit, the children were observed to be comfortable and well cared for in the Group Home and staff were observed to be responsive to the children's needs. Additionally, three discharged children's files were reviewed to assess the Group Home's compliance with permanency efforts. At the time of the review, two placed children were prescribed psychotropic medication. These case files were reviewed to assess for timeliness of Psychotropic Medication Authorizations and required documentation of psychiatric monitoring.

CAD reviewed five staff files for compliance with Title 22 Regulations and County contract requirements. A site visit was conducted to assess the quality of care and supervision provided to the placed children.

CONTRACTUAL COMPLIANCE

CAD found all areas to be in compliance.

PRIOR YEAR FOLLOW-UP FROM DCFS CAD'S GROUP HOME CONTRACT COMPLIANCE REVIEW

CAD's last compliance report dated March 2, 2016 (review conducted in May, 2015), identified four recommendations.

Results:

Based on CAD's follow-up, the Group Home implemented all four recommendations for which they were to ensure that:

- Special Incident Reports (SIRs) are timely submitted.
- Comprehensive monetary and clothing allowance logs are maintained.
- Children's bedrooms are well maintained.
- Timely follow-up dental exams are conducted.

At the exit conference, the Group Home representatives expressed their desire to remain in compliance with Title 22 Regulations and Contract requirements. The Group Home will continue to consult with the Out-of-Home Care Management Division for additional support and technical assistance and CAD will assess compliance during the next review.
